## HAND CRAFTED EMBELLISHMENTS

Your customers are paying for a custom home. Our projects reflect that. Many of them are “one of a kind”. We take the input of the architect and/or the customer and bring their individual taste to life. Whether we are working from a design which is clearly laid out on a plan, or just from a description or a picture, we want you and your customers to be completely satisfied.

4"x6" - \$3.82

6"x8" - \$8.85

8"x8" - \$12.03

You can order the materials and have them delivered, or let us handle it. On any orders where we are purchasing the materials, we require a 50% deposit of the total bid up front.

Delivery of finished products is included in the price. There will be an additional charge if you have us pick up the materials rather than having them delivered to the shop by the supplier. If you need it yesterday, this will usually speed things up for you by several days.

Always feel free to call us with any questions you might have!
